M-CVM-AB

Expansion modules
M-CVM-AB-LonWorks

Description
Expansion module with LonWorks communications.
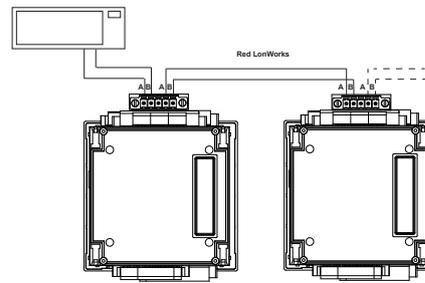

Applications
Enables communication with SCADA systems, or similar, through the LonWorks protocol.

Technical features

Maximum power consumed		3 W	
Mechanical	Connections	RJ-45 connector	
	Protocol	**LonWorks**	
	Communications	**Lon Talk ISO/IEC 14908 ANSI/EIA 7091**	
Code	**M56E08**		

Connections

M-CVM-AB

Expansion modules
M-CVM-AB-Profibus

Description
Expansion module with Profibus communications.

Applications
Enables communication with SCADA systems, or similar, through the Profibus/DP protocol.

Technical features

Maximum power consumed		3 W	
Mechanical	Connections	DB-9	
	Communications	Profibus/DP	
Code	**M56E09**		

Connections

CIRCUTOR
